Here are a few useful links to help familiarize yourself with the trip. I understand that all but two of us have made the trek to the promise land however since we have two "Vegas Virgins"...(Neal's words not mine) I thought we should introduce some of the things we will be doing...AKA the food to be eaten..

This is just a little a Intro...I do not expect this to live up to the Las Vegas Minutes of the past..how could they.

Here Goes....and remember two things....

- Late comes early in Las Vegas
- By law we can only eat two meals a day
